

Quality Access Doors- **FAST!**

STANDARD OPTIONS

Tapeable Access Panels (T.A.P.) allow access to utilities within ceilings while providing a seamless finish with the surrounding drywall.

There are no exposed hinges or fasteners, creating a nearly invisible access solution.

FEATURES & BENEFITS

- Sleek, virtually invisible access panel
- Made from MDF (Medium Density Fiberboard)
- Installed during the drywall stage
- Taped into the drywall for a seamless finish
- Available in both ceiling and wall panels
- Frames available primed for easy install
- Panels can be made from moisture resistant MDF
